PROFESSIONAL SUMMARY

Information Science and Engineering graduate with software development internship experience and knowledge of Java, Python, SQL, and web technologies. Familiar with OOP, REST APIs, and problem-solving. Eager to apply technical skills and contribute to real-world projects as an entry-level Software Developer.

TECHNICAL SKILLS

Programming:	Java, Python, JavaScript
Backend Development:	Django, Spring Boot, REST APIs
Web Technologies:	HTML5, CSS3, React.js
Database and Tools:	SQL, MySQL, Git, GitHub, VS Code
Core Concepts:	OOP, DSA, Data Analysis

Experience

Sports Analyst at Hudl India Pvt. Ltd. June 2026 - July 2026

- Annotated American football, rugby, and volleyball footage using the Hudl platform.
- Tagged players and sport-specific events while following annotation, classification, and quality guidelines.

Software Developer Intern at CampusPe Feb 2026 - May 2026

- Developed 20+ programming solutions in Java and Python using OOP and problem-solving techniques.
- Used Git and GitHub for version control and repository management; tested, debugged, and optimized code with mentor feedback.

Academic Projects

Financial Crime Prevention using Group-Aware Deep Graph Learning (Major Project)
• Developed an AI-based fraud detection system using graph-based deep learning to identify suspicious transactions.
• Performed data preprocessing, feature engineering, graph construction, and Graph Neural Network model evaluation.

Real-Time Chat Application (Mini Project)
• Built a real-time messaging application with authentication, responsive UI, backend integration, and database connectivity; used Git/GitHub.

Education

2022 - 2026 Bachelor of Engineering in Information Science at **SJB Institute of Technology**
2020 - 2022 Class 12 Karnataka State Board at **Hoysaleshwara Pre-university College**
2020 Class 10 ICSE Board at **Ananth International School**

Certifications

– Artificial Intelligence & Machine Learning – Great Learning Academy
– Python for Data Science – Alison
– Software Testing – NPTEL Online Certification
– Information Security A–Z: Cyber Security Bootcamp – Udemy

Achievements

– Published multiple software development projects on GitHub demonstrating Java, Python, React.js, SQL, and Git
– Microsoft Azure Fundamentals Practioner
– State Champion in Ball Badminton
– Bangalore South Division Ball Badminton Champion (1×) and Runner-up (2×)
